All students who live within the home zone described below (and shown on the attached map) shall be entitled to enroll at the school.

From the intersection of Plummer and Youngson Roads, travel south around the rear boundaries of odd-numbered addresses on Youngson Road to 285C Youngson Road. From here, the boundary travels east, to capture 134E Whakamarama Road.

Out of Zone Enrolments

Each year the Board of Trustees will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The Board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Special Programme

The school does not operate a special programme

If there are more out-of-zone applications than places, applicants not securing a place will enter the selection process for places at the school on the same basis as other out-of-zone students.

Applications for enrolments will be processed in the following order of priority:

- **First priority** does not apply, as the school does not operate a special programme.
- **Second priority** must be given to applicants who are siblings of current students.
- **Third priority** must be given to applicants who are siblings of former students.
- **Fourth priority** must be given to any applicant who is a child of a former student of the school.
- **Fifth priority** must be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.
- **Sixth priority** must be given to all other applicants.

If there are more applicants in the second, third, fourth, or fifth priority groups than there are places available, selection within the priority group will be by ballot conducted in accordance with instructions by the Secretary. Under Section 11G (1) of the Education Act 1989. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

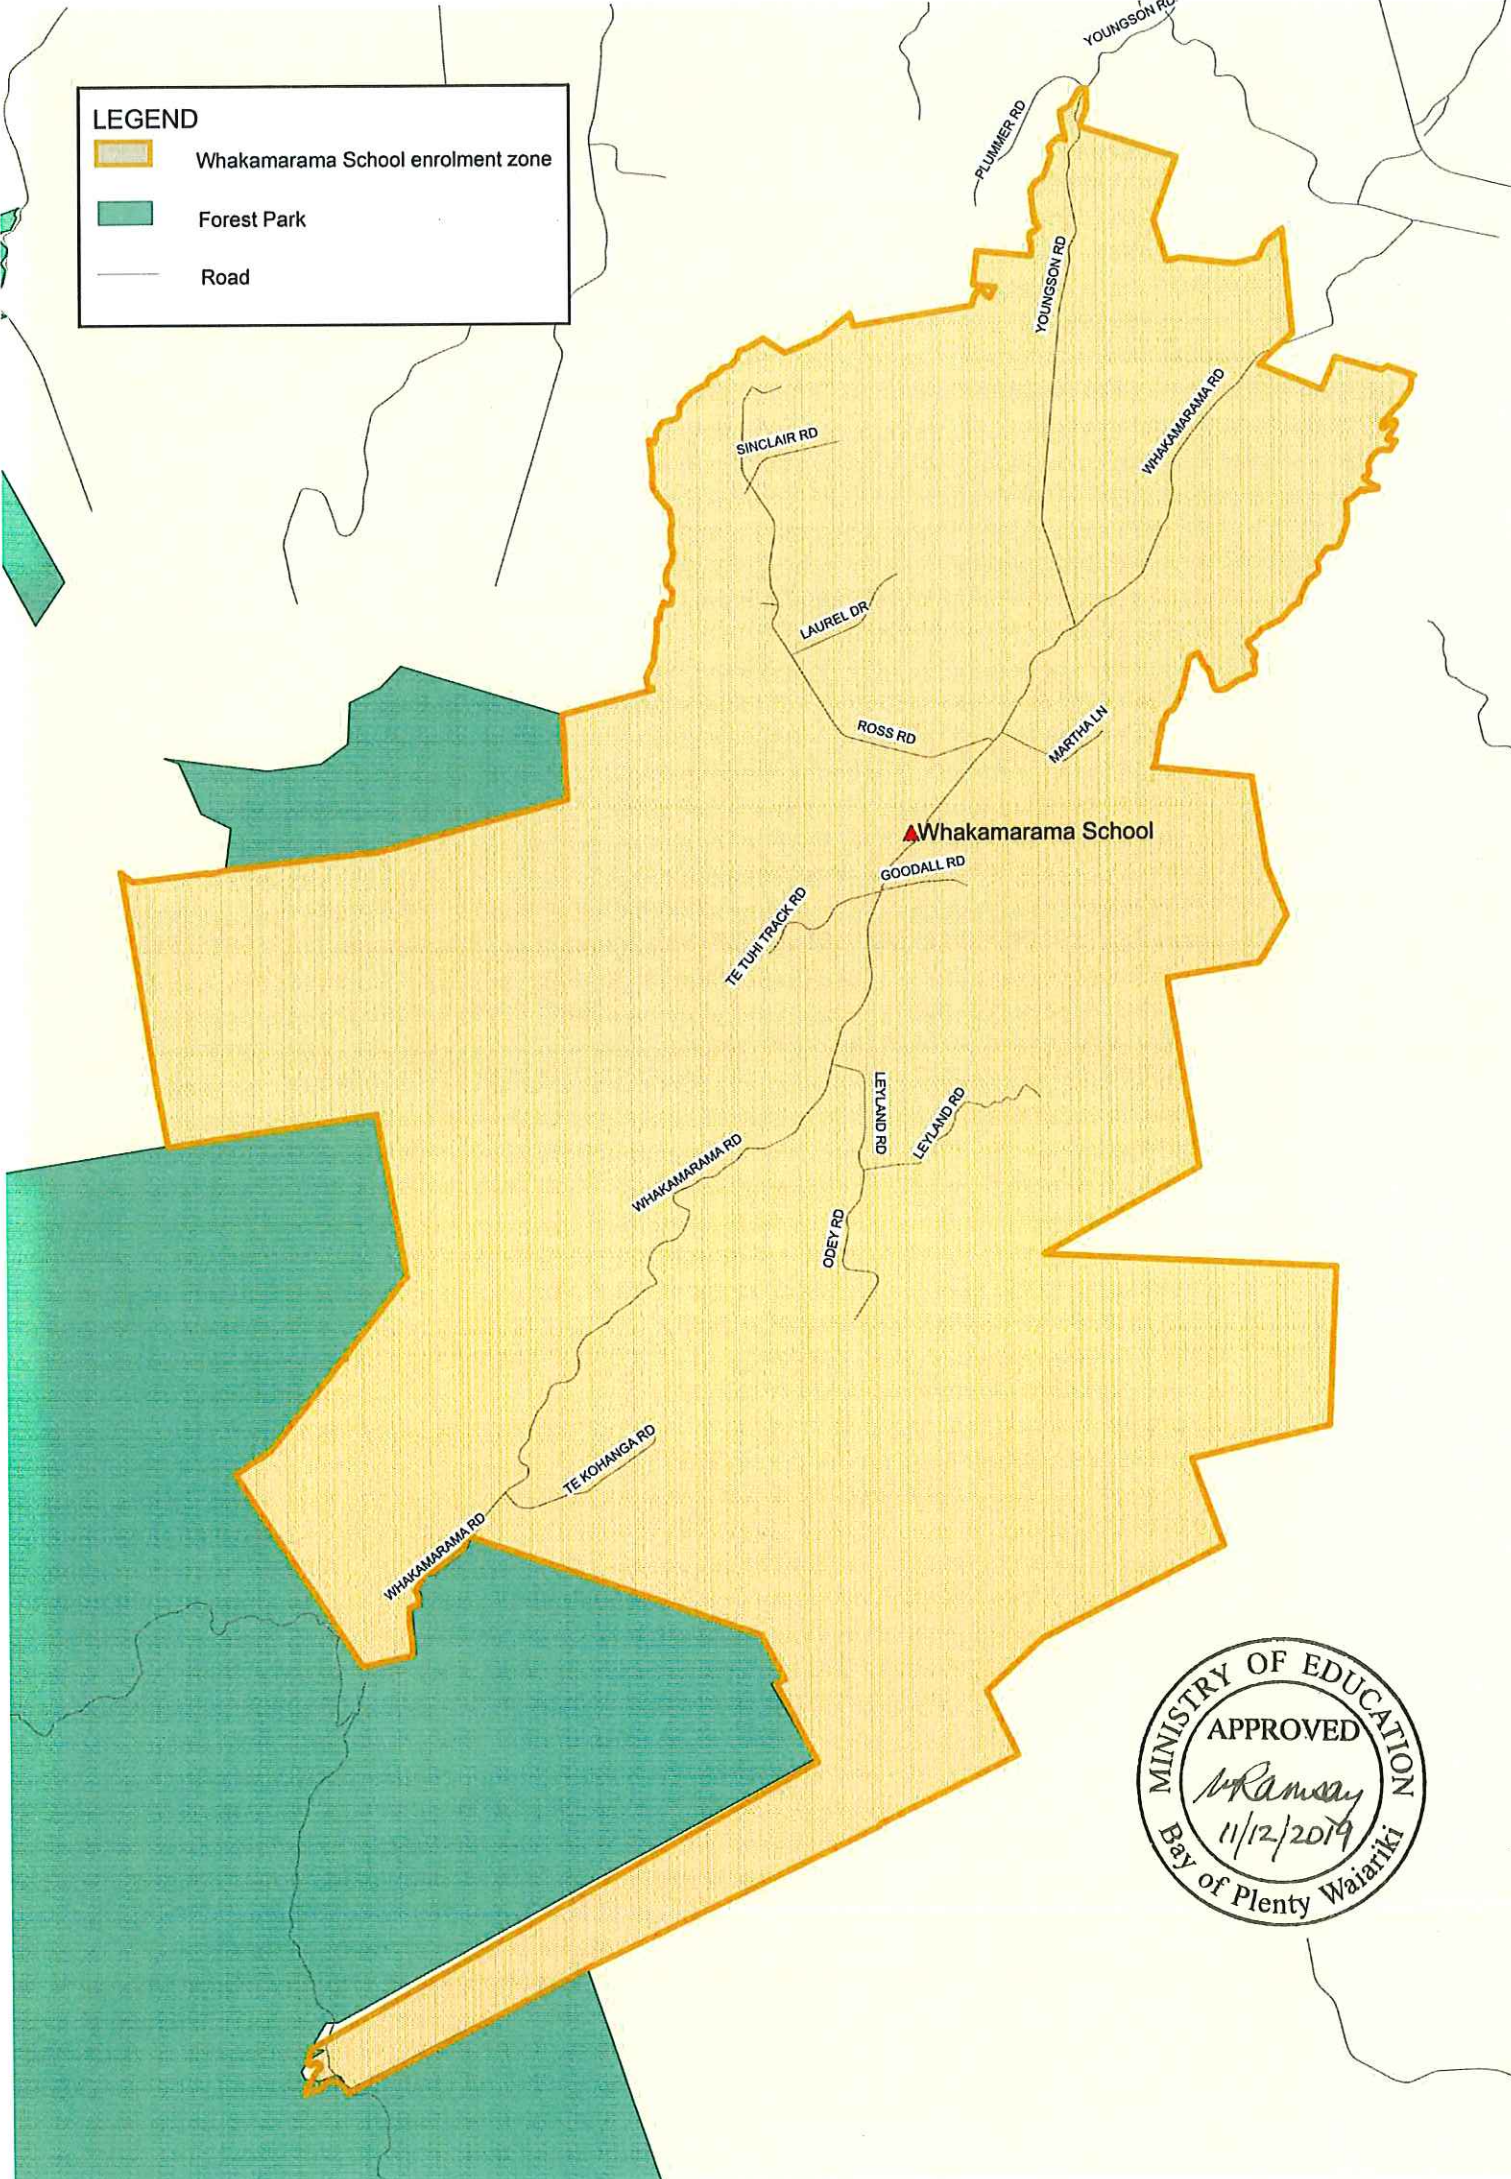

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.

Proof of residence within the home zone may be required.
